What is the ICC?

What is the ICC?

- Established in Paris more than 100 years ago.
- Represents over 45 million business in more than 170 countries.
- The prime, international business voice.
- Sets rules and standards governing trade >USD 10 trillion p.a.
- The primary private global commercial dispute resolution service..

Our Core Mission

ICC's Core Activities and Mission

1. Enable Global Trade.
2. Promote access to justice, integrity and respect for the rule of law.
3. Accelerate sustainability and climate action.
4. Shape an open, trusted and interoperable digital economy.
5. Strengthen multinational cooperation.

How do we achieve our goals?

How do we achieve our goals?

- We are connectors.
- We are advocates.
- We are inclusive.
- We are leaders.
- We transform.

Supported by our legacy:

1. We develop and approve global standards of international trade rules (Incoterms 2010 and Incoterms 2020)
2. We develop and approve standardised contracts for trade finance, international commerce.
